EARTHMOVING EQUIPMENT AND ATTACHMENTS.**

With Donnelley Hire, you can be assured that our expert team will quickly answer your enquiries; your equipment is low-hour and in top condition and will arrive on time.

**YOUR NEXT JOB MADE EASY**

# ➤ WHY DONNELLEY HIRE?

## OUR HARD-WORKING FLEET DELIVERS THE RIGHT RESULTS ON JOB SITES EVERY DAY

### RELIABLE TRACK RECORD

We have a successful track record in servicing our customers with our range of modern, low-hour equipment that will meet your need for reliability, performance and safety.

### EMERGENCY SERVICE

We provide emergency response recovery work and are available 24/7 for breakdowns.

### THINK OUTSIDE THE BOX

Utilising our can-do attitude; we have a deep focus on product innovation and creative solutions to help you to get the job done with ease.

### SOME OF OUR KEY PROJECTS AND CUSTOMERS

Donnelley Hire is not only a customer-centric and family-oriented team, we have **OVER 60 YEARS EXPERIENCE** in the Illawarra region from hire to project management, industrial services, construction, and civil contracting.

Over this time, we have become a reputable company with a wealth of industry-leading knowledge, which we share with our customers.

### DIVERSE FLEET AND ATTACHMENT RANGE

From 3.5-tonne excavators for small landscaping jobs and building projects to 25-tonne excavators for major earthworks and civil projects and a range of attachments, Donnelley Hire offers a wide range of modern, low-hour, fully serviced equipment, giving peace of mind with the quality of gear every time.

### PARTNERSHIPS

To ensure we can offer the latest modern equipment to meet your needs, Donnelley Hire has developed key partnerships with our specialist equipment suppliers.

# ➤ SAFETY, QUALITY AND ENVIRONMENT

## SUPPLYING PEACE OF MIND

DONNELLEY HIRE IS COMMITTED TO DELIVERING THE HIGHEST STANDARD OF QUALITY, HEALTH, SAFETY AND ENVIRONMENTAL MANAGEMENT WITHIN OUR BUSINESS AND FOR OUR CUSTOMERS AND STAKEHOLDERS.

### SAFETY

We are committed to zero harm. Our first priority is the health, safety, and wellbeing of our workforce, customers, and the community in which we operate. We encourage open communication with the expectation that everyone will contribute to the ongoing success of our Work Health and Safety program.

### QUALITY

Donnelley Hire maintains a certified Quality Management System. The business was first qualified with ISO9001 in 1994. The international standard system assesses and regulates a minimum quality of Planning, Evaluation and Improvement.

### ENVIRONMENT

Donnelley Hire ensures work practices will continue to reduce environmental impact by managing and limiting waste and emissions, preventing spills, and using resources efficiently.

# ► EQUIPMENT RANGE

We offer a broad range of attachments for our earthmoving equipment because we understand that earthmoving equipment with the right attachment will reduce overheads, increase productivity, increase safety, and means your project is finished safely, on deadline, and within budget.

## WE OFFER A FLEXIBLE HIRE SERVICE

You can hire the equipment and/or attachments with or without an operator, and our experienced team will be here to support you with any training or technical support as required.

**WHATEVER THE TASK, WE CAN ADVISE YOU ON THE RIGHT EARTHMOVING MACHINE AND ATTACHMENT FOR YOUR JOB.**

Donnelley Hire is **AVAILABLE 24/7** for emergency support for breakdowns.
