Copies of RFP: www.tenders.gov.au

ANGLESEA PATERSON PROJECT - ANGLESEA BARRACKS TAS

AZ6464-1**27 SEP**

- Request for Tender - Head Contractor Contract (HC -1 2021) - Project No: EST06796

The Department of Defence is seeking tenders from suitably qualified contractors for a project that involves construction services with respect to the following works:

Stage 1: In-Ground Services Infrastructure and External Works

The remediation and replacement of existing engineering services at Anglesea Barracks to address existing non-compliances and sustain operations until the next Anglesea Barracks redevelopment, including:

- Surface Water Catchment
- Stormwater Services
- Fire Services
- Electrical Services
- Potable Water Services
- Sewage Network
- Communications
- Landscaping
- External Works

Stage 2: Refurbishment Works for Buildings A0039, A0047, A0078/79, A0073 and A0083

The refurbishment of Buildings A0039, A0047, A0073, A0078/79 and A0083 within Anglesea Barracks to provide safe, functional and compliant facilities for sustained use by building users. All facilities are heritage listed and hold considerable historical value to the Commonwealth. The works to be delivered under Stage 2 have been fully documented and designed and address heritage management requirements in accordance with the Anglesea Barracks Heritage Management Plan.

Stage 3: Construction of New Facility A0208 -1800 Defence Call Centre

The construction of a new 1800 Defence Call Centre (Building A0208), which once completed will be formally named 'The McGee Building'. Building A0208 will provide a purpose-built facility to house Australian Public Service (APS) personnel to carry out phone-based customer service for the whole of Defence.

Virtual Industry Briefing: A Virtual Industry Briefing will be held **via Microsoft Teams on Monday 5 September 2022.**

The preferred contractor will be employed under the Head Contractor Contract (Construct Only).

Estimated Value: From \$13,500,000.00 to \$17,500,000.00

Closing Date: 12:00 PM Tuesday 27 September 2022

Enquiries: Mike King, Email: AB.PAT.Enquiries@ghd.com

Copies of RFT: www.tenders.gov.au

SEA BOAT PROGRAM

SHIPS/RFT/18421/1**20 JAN 2023**

- Request for Tender - Capability Acquisition and Sustainment Group

The Department of Defence is seeking tenders from suitably qualified contractors for the design, manufacture, test, delivery and supply of Air Droppable Sea Boats (ADSB) for Army and sea boats of up to approximately 8.5m for Navy. The Navy Sea Boats (NSB) will outfit two new classes of Royal Australian Navy ships: Hunter Class Frigates and Maritime Mine Counter Measures and Military Survey vessels. The Commonwealth's preference is to enter into a single contract with a tenderer for both the ADSB and NSB. However, as set out in clause 2.14 of the Conditions of Tender (COT), the Commonwealth may consider a tender for the supply of ADSBs only or a tender for the supply of NSBs only. Accordingly, the Commonwealth reserves the right to enter into separate contracts for each of the ADSB and NSB capabilities.

Industry Briefing: An Industry Briefing will be held at **a location to be finalised in Sydney on Monday 19 September 2022.**

And a location to be finalised in Hobart on Tuesday 20 September 2022.

And a location to be finalised in Perth on Thursday 22 September 2022. Tenderers must contact the Enquiries Officer by email, by 2:00 PM on Thursday 8 September 2022 if wishing to attend.

Closing Date: 3:00 PM Friday 20 January 2023

Enquiries: ADF Family of Sea Boats PM,

Email: adfseaboats.procurementprogram@defence.gov.au

OTHER GOVERNMENT DEPARTMENT TENDERS

EMERGING SATELLITE INTERNET SERVICES OFFERINGS

RFT-10052131**9 SEP**

- Request for Proposal - Digital and ICT NSW

This Request for Proposal will seek to validate services available both today and into the near future (operational prior to December 2023) and the feasibility and viability of potential non-terrestrial solutions to provide connectivity to communities, businesses, and public services across regional NSW. Whilst this tender will not result directly in an award and contract, the intent is for the awarded tenderers service price books to be utilised in a standing panel arrangement for NSWTA and its customers in the near future (prior to December 2023) subject to the services passing validation via the proof of concept (which are separate subsequent tenders/engagements).

Closing Date: 3:00 PM Friday 9 September 2022

Enquiries: Ramsey Newbold, Email: TelcoAuthorityRfx@customerservice.nsw.gov.au

Copies of RFP: www.tenders.nsw.gov.au

REPLACEMENT OF PILOT LAUNCH - PORT OF BUNBURY WA

SPA2022056B**7 OCT**

- Request for Tender - Southern Ports Authority WA

Southern Ports Authority WA is seeking tenders from suitably qualified contractors for The Port's two (2) existing pilot launches are the Tuart and the Freycinet. The primary launch, the Tuart, is an all-weather launch that was delivered in 2006 and has recently undergone an engine replacement due to its previous engine being at the end of its useful life. The Freycinet was delivered in 2011 and provides a backup facility. However, its design has not lived up to the operating demands of the Port as it can only be relied upon in favourable weather conditions. The Port requires a replacement launch for the Freycinet.

Closing Date: 2:30 PM Friday 7 October 2022

Contract Enquiries: Ben Stangoni, Tel: (08) 9325 8010,

Email: procurement@southernports.com.au
