## About i3net

i3net, the Illawarra Innovative Industry Network, is a network of industry based companies working from the Illawarra.

From bolts to blast furnaces, from 3D printing to submarines, i3net provides access to the Illawarra's vast range of manufacturers, engineering service providers and industrial suppliers.

The network was established over 20 years ago to promote the collective capability of industry to local, national and international markets.

The power behind the network is the depth of capability and skills that can be provided by one powerful industry resource.

## Why be a part of the Illawarra Industry Showcase?

“The Showcase *is* the premier Illawarra networking event for industry-based companies.

You know what it’s like when you’re so busy working in the business you never seem to find the time to look for new markets, connect with new people or retain those key relationships? Well at i3net we resolve this by holding the Showcase.

At the event real business opportunities are presented, we introduce you to the right people and give you plenty of time to re-connect with old & new contacts.

So by attending the Showcase, you can set your business up for 2022 and beyond.

I look forward to meeting you at the event.”
